

# Every citizen of the Municipality must observe the rules concerning refuse collection and help to safeguard the environment by separating materials properly so that they can be recycled

## Collection system

Refuse is collected every day, from Monday to Saturday (excluding midweek holidays), by two methods:

- **from 06.30 to 08.00:** take bags of the sorted refuse and residual waste on each day to one of the collection points
- **from 08.00 onwards:** wait for a collection crew to ring the doorbell.

### > Sort the refuse as indicated

collection days and  
collection points*

## Electrical and electronic items

Small electrical and electronic items (such as computers, printers, blenders, small televisions, stereo systems, and mobile phones) should never be thrown in the trash but should be taken to one of Veritas's **Recycling Centres**.

## Bulky items

Bulky waste should never be abandoned, but must be taken to the Recycling Centre or disposed of through the home collection service by appointment. For information and appointments: toll-free number on landline **800.811333** (mobile **041 9655533**).

## KEEP YOUR CITY CLEAN

 Dumping waste or refuse on public land is punishable by fine.
